Select Drug Program

$10/$20/$35

The Select Drug Program is a comprehensive benefit that provides coverage for prescription drugs[1] when prescribed by a licensed, practicing physician. The Select Drug Program® is based on an incentive formulary that includes all generic drugs and a defined list of brand drugs that have been evaluated for their medical effectiveness, positive results, and value. Generic drugs are just as effective as brand drugs and result in the lowest cost sharing for you. Ask your physician whether generic drugs are right for you.
